

Citri Clean

CLEANER DEGREASER AND LAUNDRY ADDITIVE

Product Properties

COLOR: Orange
ODOR: Citrus
pH: 10.0
SPECIFIC GRAVITY: 0.96

Description

This product is an amazing industrial strength cleaner and degreaser. This 100% biodegradable formula contains citrus oil to penetrate and dissolve oil, grease, dirt and grime on a wide variety of surfaces. The combination of citrus oil and powerful surfactants make it an effective cleaner on concrete, brick tile, metal, and wood. It is also an excellent laundry additive for grease stained napkins, shop towels, and many other difficult, oil-based stains. Just add product to the first wash cycle to penetrate and remove soils. It is extremely efficient on everything from food stains to automotive grease. This product has a naturally fresh scent, so it can also be used as a deodorizer for linens, drains, grease traps and even septic tanks. Use it to provide outstanding cleaning performance and excellent degreasing in many applications, while imparting a fresh, clean citrus scent.

Features...Benefits

Concentrated Economical
Citrus-based Fresh Scent
Non-Foaming Better Results

Directions

Apply diluted product with a cloth, mop, brush, sponge or mechanical spray device. Allow product to stand for approximately 1 minute. Agitate or scrub wet surface until all soil is completely emulsified. Rinse with clear water and let dry.

LIGHT CLEANING: Dilute 1 to 4 ounces of product with water to make 1 gallon.

MEDIUM CLEANING: Dilute 5 to 10 ounces of product with water to make 1 gallon.

HEAVY CLEANING/DEGREASING: Dilute 20 to 40 ounces of product with water to make 1 gallon.

HEAVY DEGREASING: Dilute product with equal amount of water.

CLEANING/DEODORIZING: Drains, Grease Traps, Septic Tanks: Use undiluted. Pour 1 pint to 1 gallon directly in drain or trap and allow to stand for as long as possible before flushing with hot water (30 minutes minimum).

LAUNDRY ADDITIVE: Add 4 to 8 ounces per 60lbs of laundry depending on soil

Safety Information

WARNING

Flammable Liquid and Vapor.

Causes skin irritation. Causes serious eye irritation.

Keep container tightly closed. Keep away from heat/sparks/open flame. No smoking.

Wear protective gloves and eye/face protection. Ground/Bond container and receiving equipment. Use explosion-proof electrical equipment. Take precautionary measures against static discharge. Use only non-sparking tools. In case of fire, use water spray or fog, foam, dry chemical, carbon dioxide, alcohol foam for extinction. Store in cool/well-ventilated place.

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs seek medical advice.

IF IN EYES: Rinse cautiously with water for several minutes, remove contacts if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice. Wash hands after handling.
