Compatible with other laundry products and High Efficiency washers.

Features...Benefits

No persistent bioaccumulative or toxic chemicals

No Phosphates

No ozone depleting compounds

No volatile organic compounds(VOC's)

No SARA 313 reportable ingredients

Contains safer ingredients, lowering the risk to children and adults from hazards like cancer, neurotoxic and developmental effects.

Directions

GENERAL LAUNDRY: Use only 1 oz. in standard top-loader machines. Use up to 1 1/2 oz. for large capacity machines, extra-large or heavily soiled loads. DO NOT OVERUSE.

If desired, add bleach 6 minutes after the wash cycle begins.

AUTOMATIC DISPENSING SYSTEMS: Program to deliver this product into wash water at the rate of 3 oz. per 100 pounds of dry linen when used in conjunction with a laundry break. When used alone, add 5 oz. per 100 pounds of dry linen.

Heavily soiled loads may require use of additional detergent.

Safety Information

KEEP OUT OF REACH OF CHILDREN

CAUTION. Eye irritant. May be harmful if swallowed. In case of contact with eyes, flush with plenty of water. Seek medical attention if irritation persists. If swallowed, drink plenty of water or milk and seek medical attention.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Intercon Chemical Company has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Intercon Chemical Company, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Intercon Chemical Company non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
