

# no-foam

## CONCENTRATED DEFOAMER

### Product Properties

COLOR: Milky Liquid  
ODOR: Mild  
pH: 8.0  
FOAMING: None  
SOLUBILITY IN WATER: Complete

### Description

This remarkable, highly concentrated defoamer is very effective at extremely low concentrations. It breaks all types of foam on contact. This synergistic blend of foam depressants is non-corrosive, rinses free and is safe to use. Controls suds in hot water extraction machines, wet vacuums, automatic floor scrubbers and other applications where excess foam is undesirable.

### Features...Benefits

Concentrated .....Economical  
Fast Acting .....Labor Saving  
Versatile .....Ease of Use  
Rinses Free .....Labor Saving  
Non-Corrosive .....Improved User Safety

### Directions

**EXTRACTION MACHINES:** Dilute 6 oz. of the product in a quart of water and draw through inlet tube. This allows for foam kill at the aeration stage before the solution reaches the recovery tank. Add between 1/2 oz. to 5 oz. per gallon of tank capacity directly to recovery tanks to keep them foam free.  
**MANUAL USE:** Dilute 2 oz. per gallon and spray directly onto foam.

### Safety Information

KEEP OUT OF REACH OF CHILDREN  
CAUTION. Causes eye irritation. In case of contact, flush with plenty of water. Seek medical attention if irritation persists.

Letter of guarantee available upon request.
