Product Properties

COLOR: Clear, Orange
ODOR: Mild Lemon
VISCOSITY: 375 cps
pH: 14
FLASH POINT: None
SPECIFIC GRAVITY: 1.04

Description

This product is a ready-to-use product offering the optimum balance of value and performance. It is thickened to enhance its clinging properties, increasing contact time and boosting overall soil removal. Versatile and effective, this product quickly tackles foodservice cleaning challenges on: ovens, grills, stainless steel surfaces, etc.

Features...Benefits

Ready-to-Use Convenient
Non-Fuming Pleasant to Use
Free Rinsing Labor Saving
Versatile Ease of Use

Directions

FOR OVENS & GRILLS: Using foamer/sprayer, apply product to warm surface. Allow to remain for 15 minutes, wipe off and thoroughly rinse with water. For heavy build-up, scraping and additional application may be required. Always rinse food contact surfaces thoroughly with water before reuse.

Safety Information

KEEP OUT OF REACH OF CHILDREN
DANGER. Corrosive. Contains sodium hydroxide. Causes burns, may be fatal if swallowed, and is harmful if inhaled. Avoid contact with skin and eyes and do not get on clothing. Wear rubber gloves and goggles when using.
